

Technical Rider/DJ Set/Live Set

1 x PA (Please make sure that the PA is powerful enough for the size of the venue)

1 x Table (100 cm high x 80 cm wide x 150 cm long) – should be big enough for Laptop, Controller and Mixer

1 x Mixer Mackie 802 VLZ3 or bigger, with the possibility to control the monitors on stage (Mackie preferred, NO Behringer etc please; Jack Cable or XLR Cable required)

2 x European Power Plugs

2 x Monitors (That provide enough bass themselves)

Hospitality: Please provide enough water (still, no gas) and towels on stage

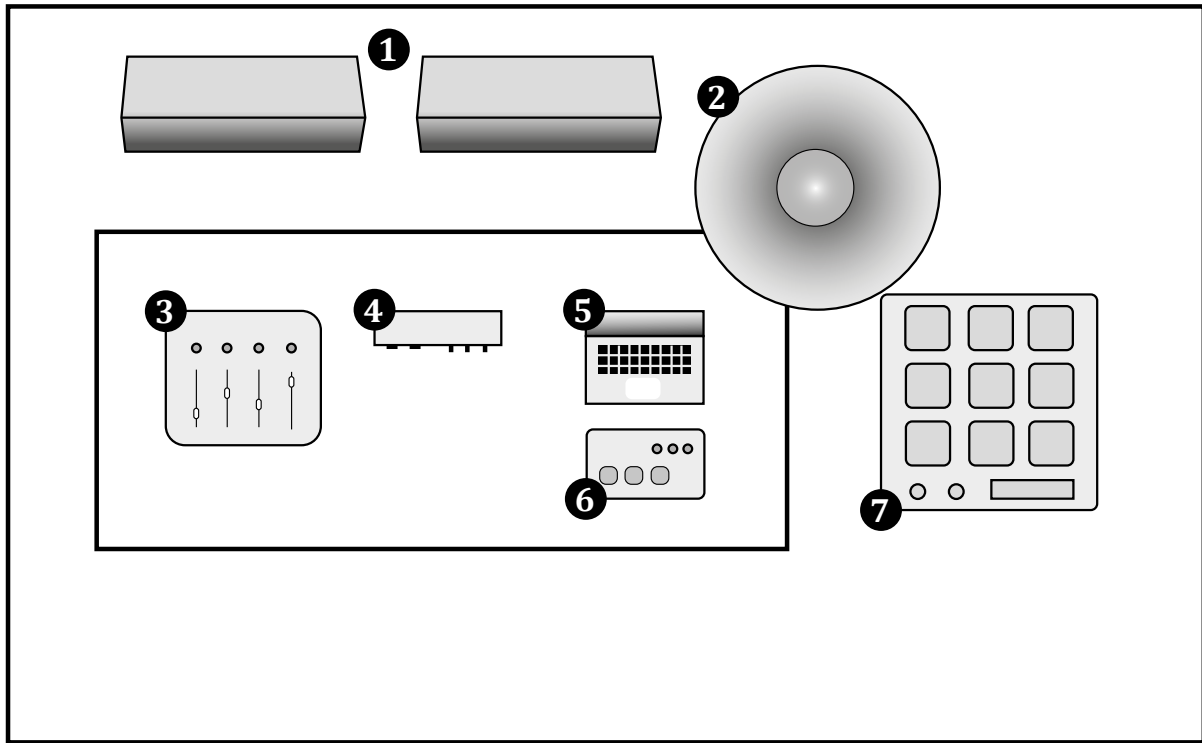

PLEASE NOTE IF ANYTHING ABOVE IS NOT POSSIBLE PLEASE CONTACT ASAP
